ADMINISTRATIVE MATTERS

Ordering of the Agenda

The President and Executive Director reviewed the agenda prior to the meeting.

IT WAS MOVED BY MICHAEL HALL AND SECONDED BY SUSAN C. BENES, M.D. THAT THE AGENDA FOR THE AUGUST 15-16, 2007 MEETING BE APPROVED AS WRITTEN. MOTION ADOPTED BY UNANIMOUS VOTE OF THE BOARD MEMBERS.

President's Report

President Bitonte welcomed the guests attending the meeting.

President Bitonte informed the Board that because of clerical errors, Board Members Susan Bender and Timothy Fries, O.D. were not officially appointed to the Optical Dispensers Board at the time of the June 13-14, 2007 Board Meeting. All motions voted on at that Board meeting have been reviewed and determined that no outcome would be changed without the votes of these two Board Members and that the quorum was met.

President Bitonte and Board Member Jim DeDario informed the Board that each had been hired by a movie production to oversee the use of decorative contact lenses by the actors. After multiple problems, Mr. DeDario said that the crew discontinued the use of the contact lenses and the production manager chose to use makeup only to create the illusion of vampires.

Approval of Minutes

IT WAS MOVED BY MICHAEL HALL AND SECONDED BY BRIAN MILLER THAT THE MINUTES OF THE JUNE 13-14, 2007 BOARD MEETING BE APPROVED AS AMENDED BELOW. MOTION ADOPTED BY UNANIMOUS VOTE OF THE BOARD MEMBERS.

Motion of June 13-14, 2007 made by James DeDario and seconded by Timothy Fries, O.D. to accept the investigator's report was reaffirmed by a unanimous vote of the Board Members.

Executive Director's Report

Director Manns informed the Board that 431 of the 781 renewed apprentices renewed their apprentice registration after the June 30, 2007 deadline. Ms. Manns suggested that the Board should consider actively pursuing those supervisors who allow un-registered apprentices to continue to work after the expiration of the registration.

Executive Director Manns informed the Board that there are a few changes to the budget report found under Section 2.1 on the agenda to reflect the transition from the CAS system to the OAKS financial system. One notable difference is the reporting of payroll. The amount noted on the current report does not reflect benefits paid out from the Board's funds. OAKS has not "posted" current payroll amounts including benefits. The amount on the Budget Report under section 2.1 of the agenda documents only the amount of payroll minus benefits that are provided by the State.

Ms. Manns informed the Board that she had included in the Board members' packets a copy of the letter sent to the National Committee of State Opticianry Regulatory. Copies of this letter were also mailed to the Executive Directors in the states of Massachusetts and New Jersey. There has been no response to date.

Executive Director Manns informed the Board that the biannual fiscal audit for the Board was completed mid-May. This audit covered all non-payroll aspects of the Board's fiscal responsibilities. President Bitonte and Director Manns met with the auditors to go over the

final report. As expected, there were no exceptions. All Board members should be receiving copies of the final report from the Auditor's office as well.

Executive Director Manns reviewed the information concerning the theft of a state data device from a state intern's car. The reports indicated that personal information of state employees, as well as board and commission members, was included on the disk. Ms. Manns urged Board members and staff to take advantage of the state sponsored identity theft protection program, Debix. The Governor's office has since dictated that no data back up devices should be removed from state offices

Executive Director Manns informed the Board that the Board had won the appellate case for Star Beauty, Toledo, and would go into more detail on this at the Thursday morning Board Meeting when AAG Casey would be present.

Executive Director Manns informed the Board that a copy of the schedule for Board Members mandatory ethics training was put in their individual folders. Ms. Manns asked the Board Members to review the information and notify her of when they would be attending one of these sessions. Additional information will be e-mailed or faxed, as appropriate, to all Board Members.

Ms. Manns informed the Board that any Board Member who changes banking institutions or banking accounts, must supply, in a timely manner, a new deposit form to the Board office. Failure to do so could result in a significant delay of payment.

Approval of Financial Report

Treasurer, Michael Hall provided additional information to the Board concerning the budget/financial report. Treasurer Hall explained that the salaries for both Board and staff now come out of the same account fund. Mr. Hall again reminded the Board that the amount for payroll shown on the report does not include benefits.

After discussion,

IT WAS MOVED BY JAMES DEDARIO AND SECONDED BY SUSAN C. BENES, M.D. THAT THE FINANCIAL REPORT FOR CURRENT FY 2008 BE ACCEPTED AS PRESENTED. MOTION ADOPTED BY UNANIMOUS VOTE OF THE BOARD MEMBERS PRESENT.

Strategic Planning:

Criminal Records Check:

Director Manns informed the Board that the current version of the proposed legislation that would require criminal records checks prior to initial licensure now has a sponsor and the bill has had hearings. Once the bill has passed and goes into effect, each affected Board

would be required to write rules regarding the processes to be used for verification and processing the criminal records check prior to licensure of an applicant. The cost of the records checks will be incurred by the applicant. Executive Director Manns informed the Board that legislators are not currently in session and most likely will not return until October. The legislation that would require criminal records checks prior to initial licensure will be taken up once again when the legislators return.

Retail Merchants/Change of Scope of Practice:

Director Manns informed the Board that the National Association of Optometrists & Opticians (NAOO) wants to change the scope of practice of licensed opticians to allow spectacle licensed opticians in Ohio to dispense contact lenses. Ms. Manns reported that attempts have been made to set up a meeting with Lora Miller, Frank Rozak and the NAOO along with the attorney general's office to discuss the ramifications of the proposed changes. No meeting dates had been established at the time of the Board meeting.

Board Governance/Planning

As discussed at the June Board meeting, Executive Director Manns suggested that the Board begin its Board Governance Planning by reviewing the Board's mission statement to re-affirm that the Board still holds the same beliefs; that the mission statement should guide all decisions, policies and future planning. Director Manns requested that this item be tabled until the October Board meeting due to heavy schedule of the current agenda. Board members agreed by consensus.

Director Manns requested that President Bitonte explain to the new Board Members the process used for approving continuing education programs. President Bitonte outlined the process and explained that the reviewing Board member would review the vitae of the speaker(s); the course outline and determine the appropriateness of the requested content and hours ; the time frame to determine if the course, as outlined, meets standards for number of hours requested; and, that it was submitted 60 days prior to date of program. The Board member reviewer would then recommend approval, denial of an individual course, or approval contingent on the receipt of additional information.

Continuing Education

After review of submitted applications by Board members and discussion,
IT WAS MOVED BY SUSAN C. BENES, M.D. AND SECONDED BY TIMOTHY FRIES,
O.D. THAT THE BOARD APPROVE THE CONTINUING EDUCATION PROGRAMS
WITH THE APPROVED HOURS AS LISTED BELOW. MOTION ADOPTED BY A

Investigator's Report

Director Manns informed the Board that AAG Casey had successfully defended the Board in the Star Beauty Injunction Appeal in Lucas County and that further discussion about this would be held at the Thursday, August 18, 2007 meeting.

Director Manns reminded the Board that if they observe an action that may be a violation of the law and rules regulating Opticianry in Ohio, that the respective Board member should report the incident to the Board office. Board members should file a completed complaint form, in addition, with as many details as possible for investigation.

IT WAS MOVED BY MICHAEL HALL AND SECONDED BY SUSAN C. BENES, M.D. THAT THE BOARD ACCEPT THE REPORT OF INVESTIGATIONS. MOTION ADOPTED BY UNANIMOUS VOTE OF THE BOARD MEMBERS.

Director Manns also reminded the Board members of the Board's responsibility to approve Schools of Opticianry that meet the requirements as established in Section 4725.48(B)(2) OAC. Ms. Manns informed the Board that there have been several schools who have indicated interest in being approved by the Board in order that graduates of those programs would meet the requirements for pre-licensure education to obtain a license as an optician in Ohio. The Board agreed by consensus to discuss this issue at another part of the agenda.

IT WAS MOVED BY MICHAEL HALL AND SECONDED BY SUSAN C. BENES, M.D. THAT THE BOARD ADJOURN FOR THE DAY. MOTION ADOPTED BY UNANIMOUS VOTE OF THE BOARD MEMBERS.

A.A.G. Report

P. R. Casey, AAG, introduced himself to the new Board members and explained that the role of the Assistant Attorney General for the Optical Dispensers Board is to represent the Board in legal matters and to act as the Board's legal counsel in disciplinary hearings and to assist with the interpretation of the law and rules regulating the practice of Opticianry in Ohio.

P. R. Casey, AAG, briefly went over the Board's recent focus on trying to stop the illegal dispensing of cosmetic contact lenses. For the benefit of the new Board members, Mr. Casey explained that the Board has injunctive power to stop costume shops and beauty supply stores, etc. from illegally selling/dispensing contact lenses; that contact lenses can only be dispensed with a valid prescription and by a contact lens licensed optician, optometrist or ophthalmologist. AAG Casey went on to explain to the Board members that Trinity Enterprises, a company in Chicago has hired an attorney to fight the injunctions against the clients in Ohio. The basis of Trinity's attorney arguments against the Board's injunctions against these two beauty supply stores, was based on the wording on the definition of "optical aids" in the statute. The same attorney represented both cases in Lucas and Cuyahoga counties. This attorney missed the filing deadline for an appeal in Cuyahoga county thus the appeal was never filed. The Trinity attorney, however, did file an appeal in Lucas County. Mr. Casey stated that although the Board ultimately won the case in Lucas county, it is still

very important to continue working on getting the language changed for “optical aids” to further reinforce the Board’s authority to issue injunctions in similar cases. Mr. Casey went on to say that an attempt by the attorney general’s office to have the proposed language change placed in with the state’s budget bill as an amendment to the budget bill was unsuccessful. The Legislative Affairs section of the Attorney General’s office and Director Manns continue to work together to get this language change placed in as an amendment to a piece of legislation that may be “moving” in the legislature..

AAG Casey further explained that since we did win the case in Lucas County the Attorney General’s office would like to propose, with the Board’s consensus, to organize a concentrated effort to go out and find places selling/dispensing contact lenses illegally in and around Lucas County. Due to two solid wins in the Toledo area AAG Casey feels that we can go and make an aggressive effort to identify illegal dispensers of contact lenses. This is particularly important during the Halloween season when many costume stores sell the cosmetic lenses.

The biggest expense to be borne by the Board would be for the actual buy of the contact lenses. The cost to purchase would be approximately \$20-\$40 reimbursement fee per set of contact lenses. Mr. Casey outlined the project strategy:

- 1) Identify businesses by phone calls or actual visits to validate the illegal selling/dispensing of contact lenses;
- 2) Send volunteers in to buy the contact lenses;
- 3) AAG will send injunctions to those entities found to be illegally selling/dispensing contact lenses.
- 4) Follow up with a media campaign to educate the public about the dangers of wearing contact lenses that have been purchased without the oversight of a licensed eye care professional..

After discussion;

IT WAS MOVED BY MICHAEL HALL AND SECONDED BY OSCAR WATSON THAT THE BOARD AUTHORIZE THE ATTORNEY GENERAL’S OFFICE TO CREATE AND PURSUE THE TASK FORCE ON THE ILLEGAL DISPENSING OF CONTACT LENSES UTILIZING THE OUTLINED STRATEGY WHICH WAS GIVEN TO THE BOARD. MOTION ADOPTED BY UNANIMOUS VOTE OF THE BOARD MEMBERS.
